Attached is complete list of material which has not been returned to the villa of Baron Parilli in Genova which was taken over by Nigrelli of our X-2 service there. The list was made out by a cousin of Baron Parilli with Mr. Nigrelli who has been unable to replace these objects which were taken from the villa during the time he occupied it.

Baron Parilli has made out the cost of these things and would like it paid here in Switzerland.

There is still pending the settlement of the car requisitioned here in Switzerland by Captain Daddario.
